

boNGO introduces
project HAPPY CLASSROOMS in Malawi

Classroom in a government primary school

..... is being transformed into a Happy Classroom.

Decorations on the walls are linked to the syllabus

Stimulating environment enables using of various teaching methods.

project HAPPY CLASSROOMS in Malawi

322 Happy Classrooms were painted in the south-malawian region of Blantyre from July 2011 till March 2012. The pupils concentrate better, remember more and most importantly - enjoy the school.

Each **Happy Classroom** costs \$ 275 (43 400 MK) and benefits over 1,200 children. www.bongoworldwide.org
