

Community gathers to celebrate official opening of the borehole

First water is pumped ...

from the left

Village Headman Kantimbanya,
boNGO Program Director
Justin Namizinga,
Chairman of Tiyende Pamodzi
CBO Steven Brown and
contractor that drilled the
borehole Harrold Chirwa

Borehole is officially handed over to the community.
A five-member committee was elected and trained to be able to act in case the borehole needs maintenance .

Prayers for the new borehole

Measuring speed of the water flow
(water comes from 51 metres underground)
